### REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: Applicant's remarks are sufficient to overcome the rejection under 35 USC 112, second paragraph. Specifically, applicant points out that the stator and the magnetic core may also comprise separate components, in contrast to the embodiment (Fig.2) wherein the magnetic core is integrated with stator 22 (specification p.15, line 10). For example, Fig.5 of the specification shows stator 75 separate from magnetic core 76 (specification p.22, lines 12-22).
2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
